

Youth News

Sharyn Dennis
Interim Youth Director

The youth of Hodges spent this fall learning about God's plan for their lives. They participated in an application study about money, attended youth groups that focused on building relationships and enjoyed getting to know one another through games and discussions. November promises to be an exciting time with a Senior High retreat to Camp Montgomery, Service Saturday and a new Sunday school unit on Mind, Body and Spirit. Join us and discover a group filled with amazing individuals who care deeply for one another and the world around us. We meet each Wednesday from 5:30-7:30 for dinner and fellowship, on Sundays during the Sunday school hour for small groups, and Sunday evenings from 6:30-8:00 for youth group.
